

Section 1

Task 1: Find the sum of two integers.

Task 2: Take **N** integers as input.

Task 3: Find the sum of **N** integers.

Section 2

Task 1: Find the average of two integers.

Task 2: Take **N** integers as input.

Task 3: Find the average of **N** integers.

Section 3

Task 1: Find the square of two integers.

Task 2: Take **N** integers as input.

Task 3: Find the sum of squares of **N** integers.

Section 4

Task 1: Find the cubes of two integers.

Task 2: Take **N** integers as input.

Task 3: Find the average of the cubes of **N** integers.
